Re: Public Records Act Request of July 4, 2019

Dear Mr. Rubins,

We received your Public Records Act request via e-mail dated July 4, 2019 in which you have requested the following:

all "Brady lists," "Giglio lists," "potential impeachment disclosure lists," or any similar compiled records or lists of records of any type set for in California Penal Code §832.7 (b) (1) (C). That is "Any record relating to an incident in which a sustained finding was made. . . .

Initially, we requested an extension of time to search our records. We are now in the position to respond fully to your request. After a thorough review of our files, we have determined that we have no records that are lists as you describe or compiled records or lists of records of any incidents "in which a sustained finding was made by any law enforcement agency or oversight agency of dishonesty by a peace officer or custodial officer directly relating to the reporting, investigation, or prosecution of a crime, or directly related to the reporting of, or investigation of misconduct, by another peace officer or custodial officer, including, but not limited to, any sustained finding of perjury, false statements, filing false reports, destruction, falsifying, or concealing of evidence"

Should you have any questions or concerns regarding the above, please do not hesitate to contact our office.

Sincerely,

Walter W. Wall
